

## WHMFC Location Details

### **Description of field position:**

The field is about 6 miles north-west of Bridlington. It is roughly half-way between the villages of Wold Newton and Burton Fleming.

On the road between the villages (Wold Newton Road) there is a brick bridge on a tight 90 degree corner. On this corner turn off onto the minor road marked with a dead-end sign.

The field is a short distance up the minor road and has a caravan in one corner.
